Re: Dunn Mine  
San Juan County, Utah  
ACT/037/017

Dear Brad:

Due to an oversight, the Division neglected to have the amount of the surety for this mine approved by the Board at its regular meeting on the 20th of July. The amount will be approved at the next meeting on the 24th of August.

Since the road work described by you to begin development of the mine will amount to less than two (2) acres or 500 ton limit for filling, you are herewith advised to proceed on schedule with that work in accordance with the previously tentatively approved Mining and Reclamation Plan.

A copy of the surety estimate is enclosed for your information and/or comments.

Sincerely,  
DIVISION OF OIL, GAS, AND MINING

RONALD W. DANIELS  
COORDINATOR OF MINED  
LAND DEVELOPMENT
